Director Message

- A message By Director (Razzaq Engineering Services)
Mohammad Razaq for Clients.
- We commit to ensure the ultimate level of customer satisfaction by providing unrivaled leadership in the service industry.
- Offering peace of mind through quality customer service. Dedicated to empowering a motivated team environment and recognizing the value of each employee's contributions.
- Aggressively increasing our market share by earning one customer's loyalty at a time. An intense desire to achieve a higher standard of excellence by providing high quality workmanship and value with continuous improvements and growth.
- Communication that is clear and open at all levels of the organization. We believe that a strong endorsement from our Client is our best advertisement. We will treat your home and property with respect, offer you a great price and give you my personal guarantee that the work will be done to your satisfaction

About us

Clients remember Razzaq Engineering Services for the professional service we deliver, the quality plumbing solutions we offer and the exceptional workmanship delivered on each and every job by our knowledgeable and efficient teams.

Our neat approach to our work means that projects are completed without hindrance to our clients; we take this very seriously. We are often commended by clients for the friendly and client-centric approach of our team members. We have selected our team based on a blend of their experience, skill sets, track-record, passion for plumbing and ability to truly engage with our clients. The results we offer is ultimately proven through our excellent references and continued word-of-mouth referrals we receive.

Mission/Vision

Our vision is to provide clients with professional, fast and reliable solutions that best suit and service their needs. we provide services with quality and excellent that exceed customers .expectation in the building industry and to create long term relationships with our clients.

Scope

Razzaq Engineering Services is contractors for all plumbing and mechanical work, focusing on Residential, Industrial and Commercial services such as new developments for Small Businesses, Shopping Malls, Hospitals, Hotels, Guest Lodges, Warehouses, Factories, Workshops and Conversions. The company differentiates itself in being unique by providing, professional and excellent client service. Razzaq Engineering Services has the knowledge and experience to ensure that the internal and external plumbing and fire fighting design is executed to perfection.

What we Promise

1.24/7 Availability

Our emergency number is manned 24/7 by a dedicated team member. Our standby teams are ready day or night to attend to your plumbing emergencies with a smile

2.We are Flexible

We work around our clients or their project teams. We proactively ensure that project teams have our contact details and that we in turn have their contact details so they we are able to communicate with each other effectively.

3.Forging Lasting Relationships

We build relationships by being a reliable plumbing provider that cares about our clients. We take pride in the quality of the service we provide and communicate with the client throughout the project, as well as actively following up on service levels after a job is completed. We take feedback very seriously

4.Dynamic & Innovative

Our dynamic management team ensures that the company is utilizing the very latest systems, methods and tools in the market to ensure speed and efficiency to clients.

5.Quality Service

Quality service is a non-negotiable at [Razzaq Engineering Services](#) . Many of our larger clients know our team members by first name already – they know we will be there on time and we will sort out their plumbing issues right first time round.

6.Utilizing the Latest Equipment/Tools

We invest in the very latest equipment/tools to ensure speed in undertaking projects. “We really have some mean equipment” that enables us to get a job done much quicker.

7.Expert Team

Our team are made up of highly skilled plumbing specialists. All our plumbers have at least 5 years broad onsite plumbing experience. We are extremely selective with the staff we employ

8.Cleanliness

We understand our client's need for cleanliness from their preferred plumber. We confidently state that our jobs are extremely neat; we keep and leave our work area tidy every single day. In addition, you can expect our team arriving in branded vehicles attired in branded clothing. Our image is extremely important to us; and we uphold this value throughout the company.

9.Respect

We educate our staff on how to ensure the client's property, equipment and belongings are respected and looked after. We believe stringently that the client is paying our invoice and if we do not respect the client's items then the client will not respect our invoice.

10.Streamlined Process

We have perfected our process over the years and guarantee professionalism right from receiving a client enquiry to delivering on a project – the process is seamless.

Human Resources Policy

Our staff are well trained and we strive to keep them on a competent level in the plumbing industry to maintain an outstanding service to our clients in terms of the latest technology. Our primary resource is our employees and therefore we focus on training, developing and maintaining competent people within our organization. Our service is our pride.
